Diversification, and Growth

The background image is a dark, low-key photograph of a hospital room. It shows a patient bed on the left, medical equipment on the right, and a large window in the background. The lighting is dim, with some light coming from the window and a few overhead lights. The overall tone is professional and clinical.

Ranked 1st in MENA for healthcare service quality, Jordan combines medical excellence with investment-ready opportunities in hospitals, health-tech, and medical tourism.

OVERVIEW OF SECTOR

Jordan's healthcare sector is among the most advanced in the region, driven by its strategic location, highly skilled medical workforce, and internationally accredited hospitals and laboratories equipped with cutting-edge technologies.

With approximately 26 medical doctors per 10,000 people, roughly 1.7 times the global average, and a reputation for excellence in healthcare, Jordan continues to lead in medical innovation.

Competitive pricing and visa-free access for many target markets further reinforce Jordan's appeal as a premier destination for medical tourism, supported by a strong ecosystem of health resorts, biomedical research, and a thriving pharmaceutical industry.

INVESTOR TESTIMONIALS

"The sector is fuelled by a solid medical and nursing education system, a supportive public policy and the availability of a strong private network of hospitals, laboratories and pharmaceutical companies that include global players. Not only this, the country is also strong in telehealth... Regarding regional medical tourism, language, distance and cultural affinity are major advantages."

Ahmad Abu Ghazaleh,
Vice Chairman, Abdali Hospital

"Jordan is known for providing high-quality care at very competitive prices. It is also distinguished by its human resources, as more than 97% of the health care providers are Jordanians, and they are well trained, both locally and internationally... In addition, there is no language barrier and Jordan shares similar cultures and traditions with almost all Arab patients, so they usually feel at home."

Dr. Fawzi Al Hammouri,
Chairman, Jordan's Private Hospitals Association
